

Theatre at the Center is looking for volunteers to assist with ushering and a few other supportive roles.

Volunteers should be able to walk a few steps in the theatre and assist in helping theatre goers. Volunteer shifts are generally about three hours during the day, evening and weekends. All volunteers receive one free ticket to Theatre at the Center's performance, two tickets if the volunteer picks up two shifts within the run of the Main Stage production or special event.

The area's only not-for-profit professional theatre, Theatre at the Center is located within the Center for the Visual and Performing Arts in Munster. Theatre at the Center is a charitable endeavor of Community Foundation of Northwest Indiana.
